

# 2002 Hawker 800XP

**\$POA (USD)**

## Aircraft Description

Top Jet Aviation is proud to present on behalf of the owner this fantastic very low hours Hawker 800XP aircraft for sale. The Hawker 800XP is perfect for business use and has a range of up to 3,000 miles while providing spacious conference and meeting amenities. Few aircraft can match the Hawker 800XP's combination of comfort, cabin size, and speed. Configured for 8 passengers, this is one of the most popular business jets in its class; often likened to a spacious conference room in the sky, this aircraft will meet your business or personal requirements. The stunning interior and exterior are 10/10 for those seeking luxury, comfort and style. A spares pack is also available.
